We think we've had a cracking idea at Club HQ, playing on the idea of Oktoberfest but instead calling it Oktoberbreasts (I'm sure you can see where this is going). So you'd still have all the Bavarian mouth wash you can drink but with the added bonus of heavy breasted maidens waltzing about the place, with pitchers of the finest frothiest whistle wetter clenched in their supple hands. We're becoming more enamoured of this idea as time goes on, but I suppose you could just nip down to Sainsbury's grab a crate to beer and open up this month's Club to ogle Tommi, Spencer, Gina and Sammi. For the latter, you wouldn't have to wear lederhosen, unless that's your thing of course...

My friend Gwen and I have been best mates since our school days. I really love the girl and we share everything from handbags and shoes to secrets about our boyfriends, especially sex stuff. However there is one sex story I can never ever share with her, and that is about the time I shagged her dad!

I didn't plan it, and, to be fair, neither did her dad, Daniel. It was just one of those moments of madness that sometimes happens when you have had a little too much to drink and are feeling a little too randy for your own good.

I had spent a frustrating afternoon lusting after the new guy in the office. I had been fantasising about getting carpet burns from rolling around on the board room floor with

him when one of the other girls broke the news to me that he was happily married. That burst my bubble, especially as I had just bought some sexy lingerie in my lunch break and had changed into it in the ladies before returning to work after lunch. I had also spent a pleasant 15 minutes in the toilet cubicle rubbing my pussy through the silky gusset of my new panties, having read in one of those women's mags that doing this releases enough pheromones to drive any guy crazy.

I was sure that this tactic had worked, as I could swear he glanced in my direction several times during the afternoon. But later when Julia, who works in accounts, told me he had only just returned from his honeymoon, and was boring anyone who would listen about how wonderful his new

“...his fingers expertly nipped and twiddled with my engorged clitoris.”

bride was, I spent the rest of the afternoon feeling sexually frustrated and depressed. As usual when I am feeling like this I called into Gwen's house after work, looking for sympathy, but when I got there she had already gone out for the evening with her mother. My eyes filled with tears of frustration, and her dad Daniel, who is the sweetest guy ever, put his arms around me and drew me inside to sit down until I recovered. I've always found Daniel very attractive: he has that sexy older film star look, and reminds me of an older Brad Pitt. If he was not Gwen's dad I would have been all over him ages ago. He even drives a sports car, wears designer suits and has some very important job in the City.

It was comforting to feel his strong arm around me as he led me to the sofa and sat beside me. I did not want him to take his arm away so I snuggled against him and before I knew what I was doing I was telling him a watered down and twisted tale of the afternoon's events, making out that my affections had been toyed with and that I had only found out in time that the bloke was

married. Daniel soothed me, patting my arm and even kissing me softly on the cheek. He told me how very beautiful I was and things just got a little out of hand.

Before I knew it I was sitting on his lap as he undid my blouse, wriggling my arse on his cock with pent-up excitement. As my clothing came off and his hands explored my body I too became familiar with his. It was no surprise he was muscular and hard and tanned. But the biggest turn-on was his long thick cock which grew almost alarmingly big and hard in my hand as I stroked and squeezed it. His tongue curled around my nipples sending sparks of excitement through me and my pussy juice flowed as his fingers expertly nipped and twiddled with my clitoris. Unlike the younger blokes I was used to Daniel took his time, slowly teasing my pussy with his fingers and tongue until I came. My orgasm was so lengthy and intense that it felt almost explosive, and I closed my eyes trying to hold on to the delicious sensations as long as I could. When it eventually faded I felt almost weak.

While I was still trembling from the afterglow, Daniel picked me up and carried me to one of the guest bedrooms. He had so much class in comparison to the young guys I had been with. Rather than just taking me on the sofa he wanted me to be comfortable so I could thoroughly enjoy the experience on a

and harder he pumped me, his hands now gripping my soft fleshy arse-cheeks as he gave me the most tremendous pounding of my life. I gasped for air, almost shrieking with pleasure as he eased a finger inside my anus. Fucking me in both holes with his finger and cock Gwen's dad made me come harder than ever, before finally groaning and emptying his load inside my quivering pussy, filling me with his hot jizz.

proper bed. I lay back on the lavish bedspread, my body still tingling with little tremors of pleasure as Daniel spread my legs and began licking and kissing the inside of my thighs. I was so absorbed in my excitement that I just lay there like a sex toy, open wide and waiting for him to take his pleasure. Our lips met as his hands stroked my pussy and gently teased my hardened nipples. My fingers entwined at the back of his neck as he slowly shunted his hard cock inside me. It was harder and bigger than I was used to, and it took a while for me to fully accommodate his organ. My pussy burned with extremes of pleasure as it began to spasm, my internal muscles contracting tightly around his thick shaft, and my back arched and my hips thrust up to meet his plunging cock. Daniel fucked me faster and faster, making me so excited that my nails dug into the hard muscle on his back. I am sure I left scratch marks. Harder

We are delighted to have
Tommie Jo back in the
studio and just couldn't
resist having the gorgeous
blonde kicking off this issue,
particularly since she's dressed
to impress.

"If you think I'm dressed to
impress now, then you should
have seen me last night! I had a
lovely little dress on and a pair of
killer heels."

Out on the town were you?

"I sure was, cocktails, dancing,
the whole lot. I had so much fun
and didn't get home till four this
morning!"

Sounds like a great night out on
the tiles, where was our invite?

"You can come along next time,
and I'll show you how to really
party."

That's an offer we can't refuse.

MENSWORLD VOL 16.08

Dear Total Recall,
You will never
believe how sad
I was the day
Mensworld closed its pages.
The final issue was, of
course, a absolute cracker,
but the issue I kept and still
take a peek at occasionally
was Vol.16 No 8, and in
particular Jelena, who I
noticed is still incredibly fit
after a recently appearing in
one of your mags. But this
set of her by the pool bathed
in sunshine tipped the scales
for me. All I could think about
is popping my manhood
between those full breasts
and rocking back and forth. A
truly exciting woman.

TOTAL RECALL

At first glance, you might think that Gina is a classic reveller, ready to throw back shots, dance on tables and then run naked into the sea, providing she is near a coastline of course. But it appears we may have been a bit far fetched in our assumptions about Gina.

"Of course I do like to go out with friends, and I do occasionally end up in a club, but I'm at my best with a chosen few out to dinner or in a pub, mainly because I like to hear what people have been up to and have a good laugh. Though I have run into the sea naked and it was bloody freezing!"

Gina's gift is that she always leaves you wanting more, and we suspect there's a lot more than meets the eye when it comes to this beauty.

SCRUFF JUSTICE!

Naughty Maids 2

Private

Starring: Katana, Mary Kalisy, Alina Henessy, Angel Rush and Anita Bellini.

Synopsis: "Private's Pussy Mansion requires

a hell of a lot of cleaning, what with all the hardcore antics that take place there! Of course, we have a team of slutty servants to clean up all the cum, but they often end up making even more of a mess. The sensual oriental Katana stars alongside the experienced Anita Bellini and the gorgeous Alina Henessy in Naughty Maids 2. These girls do nothing but follow orders and they teach new cummers Angel Rush and Kalisy a thing or two on how to please their masters; suck, gargle, spit! Whether it is interracial sessions or hardcore anal slammings, no job is too dirty for these nymphos."

Courtesy of Private

Verdict: This is

one way to blow out the cobwebs as Private bring us a host of tight pussy ready and waiting to be plundered. That is after they've cleaned the house from top to bottom with a toothbrush. If ripe peaches are a thing of interest, then you can't get juicier than Mary Kalisy's debut, where her boss cleans out her sopping wet twat, while she slams her pert round arse up and down riding his shaft to the max. But the fun doesn't stop there, as Alina Henessy has found something

solid to dust off with her tonsils, in a sloppy blowjob that leads to her tight arse being prised open and filled to the brim with pulsing prick. These are some seriously hot maids, who might not clean you up, but will certainly clean you out.

Rawhide

Digital Playground

Starring: Canela Skin, Jasmine Webb, Jessa Rhodes, Misha Cross, Susy Gala, Emilio Ardana, Juan Lucho, Luke Hardy, Nacho Vidal and Nick Moreno.

Synopsis: "Cowgirl Jill has enemies on both sides of the law. Fellow law-dodger Eli wants her head; Sheriff Luke wants her neck, and bounty hunter Jessa wants ass to sell to whoever will pay. At a gallows stand-off Jill trades Eli's whereabouts for a bandit's reprieve, and now it's up to her and Cody to track down oath-breaker Eli and defend their frontier town. It will take more than a lick and a promise to win the day – but these girls are professional riders who can deep-sit the saddle! Yeehaw, cowgirl!"

Courtesy of Digital Playground

Verdict: An old fashion spaghetti western is always a welcome sight, and in this bit of bongo from Digital Playground we've noticed these wild ladies of the west haven't got much on under their leather riding chaps. Jill (Misha Cross) proves handy with her fists and at poker, but her real talents lay in cock gobbling as Emilio Ardana bangs her face with some of the deepest throating I've seen recently, as this outlaw rides her way to a come raining facial. Things quickly turn sour, and Jill pegs it with Emilio in hot pursuit. But Jessa Rhodes is on hand as the ruthless bounty hunter and to save Jill and take her captive. Jessa ships her off to the local sheriff for a reward, but fortunately, the banks are

closed until morning, so Luke Hardy and Jessa pass the time with a slurpy blowjob and pussy pounding before getting jail bait Jill involved for some three-way action. These ladies put the wild into the west.

Well, this is a long overdue appointment to Club's front cover for Sammi Tye. The stunning lass happily chats away while tossing aside items of lingerie as the camera clicks away.

"What can I say, except I really love my job! I've been coming away for all my lovely fans and doing a few shoots here and there, and I even managed to fit in a few days away at a very glamorous spa hotel."

Sammi seems keen to infect everyone with her cheerfulness. Mind you, just by doing her job she puts a smile on our faces...

Talkin' Blue

CONFESSIONS OF A BLINGIN' BABE!

I started seeing my boyfriend Harry just over a year ago and to celebrate our first anniversary, he said he was taking me on a romantic weekend away. I don't know why he said "romantic" when we both knew full well "filthy shagging" would be more like it.

Of course I used it as an excuse to shop for sexy lingerie, and in the daytime on the Friday – we were leaving in the evening – I got a leg wax at a local beauty salon. As the place hadn't long opened it had loads of offers to attract new customers and I decided to get a Hollywood wax done too. Harry had got pretty horny when I'd shaved my bush off for our summer holiday so I thought I'd treat him to a long weekend of smooth, creamy pussy.

The salon's owner – she said her name was "Belle" – was really chatty and friendly but she was a hardcore saleswoman too, trying to get me to buy loads of treatments. When she first suggested a "vajazzle" I just laughed, but she wouldn't let up, saying Harry'd love it. And as she'd only done a few of them before and needed the practice, she offered me a fiver off it.

That's how I came to be lying splayed on a massage bed, with a woman applying glue-backed jewels to my pussy. Some salons just use ready-made patterns you stick on like a transfer and Belle used one of these as the basis for her design, but she wanted it more glitzy and imaginative, so she stuck a load of little crystals on free-hand.

At first it was just a bit tickly rather than a turn-on, but the closer her fingers got to my pussy, pressing and stroking to make sure the jewels were in place, the sexier it felt, especially as I imagined Harry getting his first sight of them. He'd probably laugh at first, but when his eyes went to my slit and saw it all swollen up and glistening with nothing more than my juices, he'd soon be plunging into my "treasure chest"!

But I was in that wet state right now – Belle's fingers were on my outer labia, every touch pressing them against my clit hidden between them – it took all my willpower not to hump against her hand to make her diddle it directly! I was never going to get a full-on orgasm from it but a little shiver went through me.

I apologised and she said that was normal – well, she'd had women react that way to things like massages – so I tried not to be too embarrassed. But I noticed her hands were a bit trembly and her chat quietened down. After a couple more minutes I asked was she OK and she said she reckoned it was done, holding up the mirror so I could

see it.

She'd done a brilliant job, really cute and artistic, with clear and pastel stones round the outside edges shading to deeper colours near my slit. But even though I'd felt myself getting a bit horny, I had a bit of a shock when I saw how puffed-up and moist I was – like I usually look after I've had a cock-pounding and cum my brains out!

“Bunched up and pumping me hard they felt like a nice fat, stubby cock...”

I got off the table and admired Belle's artwork in the wall mirror and, still obviously feeling awkward, she stammered something like "You've got such a pretty pussy" – and she wasn't talking about the design.

“...while still using the vibrator, she slipped three fingers inside me.”

I was so chuffed I gave her a big hug, forgetting I had my tits and fanny hanging out of an open bathrobe. She hung a bit longer than I expected, then our eyes met and she just moved in for a snog.

I flinched at first – it just felt weird to me to be doing this with someone who wasn't Harry, let alone with another woman. But before she could get upset over that, I started kissing her again and now it just felt natural, her tongue dipping into my mouth.

My hands were the first to wander but they were stroking tit through her uniform, while her nervous fingers were touching skin immediately. She was still a bit shy so I moved her hands onto my boobs, rubbing them against the fleshy globes so my rock-hard nipples tickled her palms. I let out a sigh of relief and anticipation when one hand stroked down over my belly, only for her to stop and say it'd be a shame to ruin my vajazzle!

I said I thought it was meant to last, that she'd told me it should survive the drive to where we were going – and if it could stay put with my twat juicing all over the place, and all the friction from my soaking thong, it could take a bit of finger-licking action.

She had me lie back down on the table again, bum on the edge with my legs apart. Then I remembered something and told her to look in one of my bags. One of the places I'd shopped for undies was a sex shop too, and I'd got a little mini vibrator to use on my clit when Harry was fucking me. I especially like a bit of a buzz when he's doing me up the arse.

Belle used her fingers to splay me wide open and licked around the inside rim of the jewels, circling her tongue around before it finally homed in on my clit. She flicked at it, sending sharp little tingles through my crotch, then she licked her way down, fucking in and out. Then I heard a buzzing noise as she switched on the mini vibe. For something so small and quiet, it didn't half pack a punch – I arched and bucked against her face as soon as she started rubbing it over my bud. But even that wasn't quite enough. I wanted my pussy stuffed.

I moaned for her to fuck me and she must have realised what I really needed. She pulled her face clear, while still using the vibrator, and slipped three fingers inside me.

"I felt the first salty taste wash over my tongue, then I let him slip out, lay back and wanked him all over my mound..."

Bunched up and pumping me hard they felt like a nice fat, stubby cock ploughing my cunt, and as she ground the toy against my clit, I felt my crotch tighten up. It wouldn't be long now, and I circled my hips against her, making the movements even bigger and more powerful.

I moaned that I was cumming and she knew as well as I did that nothing would stop me now, so the fingers came out and she clamped her mouth against my labia, sucking the juices out of me, swallowing as my spasming cunt pumped them into her throat.

I asked her how the vajazzle was looking, just to ease any post-fuck tension she might be feeling, and she said it was fine – just two or three stones had fallen free, which was good as neither of us was in any fit state to have her try to stick them back on.

Nothing much happened after that. Belle had to clean up – the room and herself – ready for her next client and I had to go home to make sure I'd be in when Harry arrived to pick me up. I said I'd have to return the favour another time and Belle said she'd be OK for now – when she got home she'd have

"bigger toys to play with". I'm hoping I'll get to join in that fun, as I couldn't help wishing I'd bought a nice, big, meaty dildo as well as my little vibe! Then again, I might not have felt her magic fingers if I had.

I kept my "little gems" a secret from Harry until we arrived at our hotel – even though it meant turning down a pre-drive quickie. He did find it funny at first, but got on his knees for a closer look, and while he was down there, got busy with his tongue and fingers. He said I looked like I'd had a good seeing-to already, so I told him I'd been so excited I'd had a frig. I don't know why I kept quiet about Belle – he'd have been rock hard at the thought of me getting licked out – but I'm keeping it "in the bank" for another time.

His vajazzle verdict was "nice diamonds but not enough pearls" and you can probably guess where that went. I sat at the end of the bed with him in between my thighs, sucking hard on his dick while I cradled his balls. I don't know how he lasted so long before I felt the first salty taste wash over my tongue, then I let him slip out, lay back and wanked him all over my mound and pussy, soaking the sparklies with his jizz. Even as I looked at

the mess he'd made down there, I wished Belle had been with us to lick it off.

I didn't have long to think about that, though, as Harry soon had me up on all fours, so he could get himself ready for another go. My jewelled labia were dripping spunk and peeking out between my arse cheeks, and he rubbed his cock against them, teasing it until it was hard enough to sink into my desperate, aching cunt...

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

BRIDAL PLOUGHER!

The problem with being a girl is that you're simply expected to totally be into the whole white wedding thing. Even worse, you're expected to be fascinated by everyone else's too! Whilst I'm not, my friend Julie fits into this stereotype nicely, and rather than spend the whole day shopping she had insisted that I accompany her to Stephanie's to discuss the finer details of Steph's marriage. Whilst I had never met Steph, Julie was her long-time friend and bridesmaid, so it felt awkward to say no.

Steph greeted us at the door and I was surprised by her appearance. Without being cruel, my friend Julie isn't a goddess, whilst Steph looked effortlessly glamorous in her tight jeans and sweater. Furthermore, she was engaging and welcoming and I found myself feeling more than happy to watch them flick through pages of cakes and flowers. Steph and Julie appeared incredibly close and touchy, which I at first put down to the time they had known each other. However, Julie was soon stroking Steph's hair and giggling; seemingly oblivious to my presence. Suddenly, Julie said, "Are you ready to show me how hot you'll look as a bride Steph? You want to see her, don't you Mane? In fact, show Mane our original idea, Steph, I'm sure she'd prefer that one."

Both intrigued and nervous, I waited for Julie's return from the bedroom. I didn't have to wait long. She came through the door

in only a pair of heels and knickers, wearing a garter and tiara. My eyes must have said it all as I stared at her awesome figure. I saw Julie smiling in my direction as I focused in envy at her perfect tits and flat stomach. She walked towards where Julie was sitting, and pulled her hair back from her own face as she straddled her on the sofa. Julie instinctively rolled her tongue over the erect nipple that was thrust towards her. Speechless, I watched as my friend sucked Steph's breasts and ran her hand down the back of her panties, while Steph giggled with excitement. Steph reached down, and after yanking Julie's skirt back towards her waist, her hand disappeared between her thighs. I couldn't believe what I was seeing! However, I couldn't stop watching.

I could see Julie trying to buck back against the fingers inside her cunt, and she sucked and nibbled Steph's nipples whilst exhaling heavily and moaning her appreciation. Without being conscious of it, my own hand had found its way between my legs and I'd started to rub my pussy through the cord material. Any inhibitions had gone, and I soon had my trousers unbuttoned and my finger frantically frigging my clit, all the time mesmerised by the view.

They were now on the floor, and Steph's legs parted to allow Julie to bury her face in her fanny. The tonguing Steph was receiving made

“I could feel the shaft working its way in and out of my arse...”

her squeal with delight and roll her fingertips over her erect nipples. “I want some pussy too,” she commanded. However, Julie just carried on lapping at her cunt and I quickly realised she wanted a taste of me. I had never been with a woman before but had often thought about it, and I was so fucking turned on that I peeled my trousers off. My panties were next, and within seconds I was sitting astride her face, her tongue inside my sopping hole. Julie began groping for my arse, as I leaned forward to steady myself. My body was shuddering with pleasure and looking down I could see Steph’s pretty face, eyes closed, devouring my pussy.

I was totally lost in the moment, and was barely aware that I was being pushed forward onto all fours from behind. I turned to see Julie with a dildo in her right hand as she bent forward and began to lick the crack of my arse. She then started to insert the slim dildo inside my burnhole, taking care not to be too rough. At the same time, Steph was parting my cunt lips and straining up from underneath to lick my other exposed hole. The sensation was incredible. I could feel the shaft working its way in and out of my arse, forcing my pussy nearer to Steph’s soft lips and tongue.

Julie was now dipping a dildo into both of us at the same time. This only made Steph lick my clit more wildly and my sphincter was tightening over the plastic shaft. My body began to spasm and as I came into her face, the sensation of having my arse filled prolonged and heightened my orgasm. Steph also began to cum as I collapsed over her, and she wrapped her arms around my waist and buried her face into my tummy as she moaned and growled her satisfaction. Julie whooped with delight at the scene before her and kissed and licked our sweaty bodies, making us shudder from the sensation. Lying there exhausted, I knew that I’d be more than happy to take an interest in any further wedding preparations!

REAM SERVICE!

During the 4 years I’ve been with my girlfriend, every time we feel our sex-life has gone a bit stale we’ve always made the effort to try something new. Porn, in the form of magazines (this one, of course!) and videos was the first step. That worked, as did engaging in sexual activities in risky places, and as spontaneously as possible! One time

“I then held onto her maid’s tabard, as I fucked harder...”

particularly springs to mind when we pulled up in front of our friend’s house, and before going up to the door Kathy went down on me until I came in her mouth.

Recently, however, it has been a bit of classic role-playing, involving the usual nurse’s uniforms and schoolgirl scenarios. Nonetheless, my wife has become so into this, that she plans these situations without me even knowing, and springs them on me when I’m least expecting it. The other night, after I had been for some after-work drinks, I

returned home about nine o’clock feeling a little half-cut to find all the lights off in the house. I could also hear a faint moaning coming from the bedroom. Putting the hall light on, I could see that Kathy had been tidying and cleaning. The sounds continued and as I pushed open the door to the bedroom, I could just make out Kathy’s faint silhouette on the bed. I turned the light on abruptly, to find her on her back, in a hotel maid’s outfit, with her skirt hitched up and her hand down her knickers.

“Oh, sorry, sorry. I’m just finishing your room, sir,” she immediately responded, as if she had been discovered for real. She looked very convincing with her hair tied back, and fucking horny dressed like that! Playing along, I pretended to look shocked and questioned her, whilst she continued to stroke her pussy, which she had now exposed to me. Kathy then parted her cunt, and sucking her index finger wet, slid it between her silky lips. It was too much to bear, and my prick was in my hand in seconds as I tossed myself off furiously.

Getting on all fours, Kathy spread her legs on the bed and with her index and forefinger splayed her twat open, showing me how moist she had become. However, as I moved to fuck her soaked entrance, my cock dripping pre-cum, she thrust three of her own fingers inside her. “This hole’s taken, sir, I’m afraid you’ll have to find another one,” she purred in a voice unlike her real one.

My shaft pulsed with excitement and, spitting on my fingers, I then ran my hand over the crack of her arse, poking one digit inside, to a squeal of anticipation. Her muscles tightly gripped my bell-end, and I could feel my foreskin roll back as I drove my dick as far in as it would go. “Oh, yes sir... I’m full now,” she kept half-grunting as I held fistfuls of her backside and worked away rhythmically into her bumhole. I then held onto her maid’s tabard, as I fucked harder, with my

balls banging against her knuckles. Alerting her to the fact that I was going to cum, she frigged her clit so fast and so recklessly that I struggled to keep my dick inside her. I felt my spunk pulse through my shaft and pulled out, spraying it up her back. Shuddering to her own orgasm, she just kept repeating “Thank you sir!” as I covered her in thick jizz.

As I lay there, she remained in character and licked my cock clean, wiped herself down and carried on tidying the room! If only real hotel service was as good!

Marina 
PHOTOS: DAZGLAM

Marina's swinging playfully on the suspended garden bench, in a little pink number that barely covers the essentials. We notice as she gleefully swooshes through the air an interesting dragonfly tattoo who's wings encroach on Marina's forearm.

Why did you choose a dragonfly?

They are just such beautiful creatures, with their bright coloured bodies and stain glass looking wings. I think if I had to be an insect that's what I'd be.

Marina turns out to be as vivacious as her chosen insect.

What our well-placed moles are telling us this month...

DOWN THE WIRE

Fatal Faecal!

This is one way to put a lid on things. 42-year-old Andrew Jensen was arrested on suspicion of burglary after California police sniffed out the suspect from some faecal debris that had been left in an unflushed toilet at the scene of the crime. Detectives had the specimen tested for DNA at the Forensic Services Bureau for processing before being run through the Combined DNA Information System which flagged up Jensen as a match. Three days later police had tracked their man down and arrested him at his home in Ventura. Jensen has been charged with first-degree residential burglary, and his bail is set at \$180,000. It looks like this won't be quite as easy to flush away.

I can't quite reach the loo roll...

Cat burglar falls foul of his own mess!

Wires Crossed!

I'm a bones and all man.

Brace yourself; this is cringe worthy. A 30-year-old female from Perth, Australia, attended the Sir Charles Gairdner Hospital complaining of upper abdominal pain. Doctors assumed this was caused by her gall bladder and sent her home after the pain had subsided. Two days later, however, the unnamed female returned to hospital and doctors sent her for a CT scan that revealed a wire shaped object in her small intestine. Emergency surgery was performed removing a 2.8-inch long section of orthodontic wire that pierced through several parts of the small intestine and caused the organ to wrap around itself. Doctors were shocked by the find and even more so when the patient revealed she'd had her braces removed ten years earlier.

Rambodillo!

Perhaps our military services could learn a thing or two from the armoured armadillo. A Mariette man of East Texas was taken to hospital after sustaining a bullet wound to his jaw. County Cass Sheriff's office stated that the unidentified male had left his house at 3 am spotting an armadillo in his back garden. The male returned to the house where his wife was present and picked up his 38 revolver, shooting at the animal three times. At least one of the bullets struck the Armadillo and ricocheted back hitting the shooter in the jaw. The gentleman was quickly airlifted to a local hospital where his jaw was wired shut. The Armadillo scarpered, and so its condition is unknown.

Little is known of the Armadillo Resistance!

This is my turf punk!
